CERTIFICATE

No. U8 098792 0002 Rev. 00

Holder of Certificate: **Amico Accessories Inc.**
122 East Beaver Creek
Richmond Hill ON L4B 4V1
CANADA

Certification Mark:

C US

Product: **General Medical Devices**
Equipment Mounting Arm

This product was voluntarily tested to the relevant safety requirements referenced on this certificate. It can be marked with the certification mark above. The mark must not be altered in any way. This product certification system operated by TÜV SÜD America Inc. most closely resembles system 3 as defined in ISO/IEC 17067. Certification is based on the TÜV SÜD "Testing and Certification Regulations". TÜV SÜD America Inc. is an OSHA recognized NRTL and a Standards Council of Canada accredited Certification body.

AHM-xxxx-wyyz-(a)-vv – Product Line ("Adjustable Height Monitor")
Where:
xxxx, Device that is mounted, one of:

LCD, LCD, VESA brackets provided (Z (blank)); or

LTH1, open access laptop workstation with no additional rear extension; or

LTH2, laptop workstation with no additional rear extension, includes locking bars, slide out keyboard tray and secondary work surface; or

RITW, Reverse It Station for LCD/flat panel monitor; or

(blank), Monitor, shelf provided (Z not (blank)).

w, Keyboard option: (For **xxxx** = **RITW** only, otherwise (blank))

N, Amico Falcon Keyboard; or

M, Amico Mini Keyboard

yy, Extension arm from wall to main arm, one of:

7F, 6" (15.24 cm) forward folding extension arm; or

3F, 9" (22.86 cm) forward folding extension arm; or

1F, 12" (30.48 cm) forward folding extension arm; or

5F, 16" (40.64 cm) forward folding extension arm; or

7R, 6" (15.24 cm) reverse folding extension arm; or

3R, 9" (22.86 cm) reverse folding extension arm; or

1R, 12" (30.48 cm) reverse folding extension arm; or

5R, 16" (40.64 cm) reverse folding extension arm; or

05, no extension arm; or

75, 6" (15.24 cm) non-folding extension arm; or

35, 9" (22.86 cm) non-folding extension arm; or

15, 12" (30.48 cm) non-folding extension arm; or

55, 16" (40.64 cm) non-folding extension arm.

z, Sheld type for monitor mounting, one of:

0, 5" Shelf with 30° tilt limit; or

2, 6" drop on shelf; or

3, Philips IntelliVue Shelf; or

4, Accessory add on top; or

6, 5" shelf for back mounts; or

7, 5" shelf with slide-in VESA 75/100 plate; or

8, 3" shelf with 30° tilt limit; or

9, 3" shelf; or

W, Welch Allyn Head with 30° tilt limit; or

(blank), not for monitor mounting (XXXX not (blank)).

a, Arm mount option, one of

(For any **yy**)

A, Amico Horizontal adapter; or

AB, Amico horizontal direct mount - bottom; or

AT, Amico horizontal direct mount - top; or

M or **MON** or **(blank)**, standard channel adapter; or

D, Dovetail/Ohmeda channel adapter; or

V, Amico vertical rail adapter.

(For **yy** = 05 only)

S, HSI Mount; or

G, Hill-Rom vertical rail adapter; or

C or **COW**, CONMED mount.

vv, Normal or Heavy Duty option, one of:

01, Heavy Duty; or

(blank), Regular.

AHMM-FITx-bcd-ee-ff – Product Line ("Adjustable Height Monitor – Falcon IT")
Where:
- **x,** Color type, one of:
  - **W**, white; or
  - **X**, custom, not affecting safety.
- **b**, Keyboard tray, one of:
  - **F**, falcon; or
  - **M**, mini; or
  - **D**, sidekick secondary surface; or
  - **X**, custom.
- **c**, Extension length, one of:
  - **0**, no extension (D = 5); or
  - **7**, 6" (15.24cm) extension; or
  - **3**, 9" (22.86cm) extension; or
  - **1**, 12" (30.48cm) extension; or
  - **5**, 16" (40.64cm) extension.
- **d**, Extension type, one of:
  - **F**, folding; or
  - **R**, reverse folding; or
  - **5**, non-folding extension (C = 1, 3, 5, 7) or no extension (C = 0).
- **ee**, Spring strength to support monitor weight, one of:
  - **25**, 5.5-8lbs (2.5-3.6kg); or
  - **35**, 7.5-10lbs (3.4-4.5kg); or
  - **50**, 13-15.5lbs (5.8-7kg); or
  - **60**, 15.5-18lbs (7-8.1kg); or
  - **65**, 15.5-18lbs (7-8.1kg); or
  - **75**, 18-22lbs (8.1-10kg); or
  - **FH**, Fixed height support rod (>10kg, subject to overall loading restriction)
- **f**, Arm mount option, one of:

(For any **cd**):
- **A**, Amico Horizontal adapter; or
- **AB**, Amico horizontal direct mount - bottom; or
- **AT**, Amico horizontal direct mount - top; or
- **M** or **MON** or **(blank)**, standard channel adapter; or
- **D**, Dovetail/Ohmeda channel adapter; or
- **V**, Amico vertical rail adapter.

(For **cd** = 05 only):
- **S**, HSI Mount; or
- **G**, Hill-Rom vertical rail adapter; or
- **C** or **COW**, CONMED mount.
