Hummingbird Standard Equipment

Worktop

18 sq" (1200 cm²) work surface with 8 fl. oz (236.59 ml) spill guard ideal for documentation and medication preparation

Advanced Interface

Touchscreen interface displays cart status, customizes user settings, and allows you to control lighting and height

Keyboard Light

Illuminated keyboard allows you to work at night without disturbing your patients

Ergonomic Handles

Optimally oriented handles make maneuvering your cart easy and reduces fatigue

Secure I.T.

Secure your CPU or Laptop in our lockable compartment

Barcode Scanner/Mouse Holder

Place your mouse or barcode scanner underneath the keyboard tray to prevent them from falling during travel

Power Cord

6' (1.83 m) coiled power cord for convenient connection to wall outlet

Cord Holder

Neatly store your power supply cord on the side of the cart

Power Reset

Integrated reset button for rebooting your computer system (requires BIOS setting)

External USB Ports

2 hidden USB ports for connecting auxiliary devices

Accessory Rails

Integrated rails on both sides of the column to easily mount your storage accessories

Electric Lift

Sit-to-stand is as easy as pushing a button: 13" (33.02 cm) worktop height adjustment range

Effortless Rolling

5" casters make travel effortless, including directional caster for enhanced steering and total lock caster to stop movement

Legroom

U-Shape base saves your shins while traveling and gives users enough legroom while sitting

Base Light

See where you're going with an integrated LED light at the base of the cart

Plug and Play

Ships assembled: add your peripherals/accessories and your cart is ready to use

Fleet Management

Track the cart status of your entire fleet and receive critical service alerts in real time with BirdsEye Fleet Management Software

Hummingbird Customization Options
