Hummingbird Standard Equipment

Display Movement
+/-90° screen panning and rotation for workflow, patient interaction, and visibility during travel

Display Ergonomic Adjustment
Independently adjust monitor height without tools for optimal ergonomic positioning: 6.5" (16.51 cm) height and +/- 15° tilt range

Cable Management
Conceal monitor and accessory cables inside the LCD post to keep them organized and clean

Worktop
18 sq" (1200 cm2) work surface with 8 fl. oz (236.59 ml) spill guard ideal for documentation and medication preparation

Standard Interface
Controls worktop height, cart lights, and provides battery status and alerts

Keyboard Light
Illuminated keyboard allows you to work at night without disturbing your patients

Ergonomic Handles
Optimally oriented handles make maneuvering your cart easy and reduces fatigue

Secure I.T.
Secure your CPU or Laptop in our lockable compartment

Barcode Scanner/Mouse Holder
Place your mouse or barcode scanner underneath the keyboard tray to prevent them from falling during travel

Power Cord
6' (1.83 m) coiled power cord for convenient connection to wall outlet

Cord Holder
Neatly store your power supply cord on the side of the cart

Power Reset
Integrated reset button for rebooting your computer system (requires BIOS setting)
External USB Ports
2 hidden USB ports for connecting auxiliary devices

Accessory Rails
Integrated rails on both sides of the column to easily mount your storage accessories
Manual Lift
Go from sitting to standing in seconds with our heavy-duty pneumatic lift: 13" (33.02 cm) worktop height adjustment range

Effortless Rolling
5" casters make travel effortless, including directional caster for enhanced steering and total lock caster to stop movement

Hummingbird Standard Equipment

Legroom
U-Shape base saves your shins while traveling and gives users enough legroom while sitting

Base Light
See where you're going with an integrated LED light at the base of the cart

Plug and Play
Ships assembled: add your peripherals/accessories and your cart is ready to use

Fleet Management
Track the cart status of your entire fleet and receive critical service alerts in real time with BirdsEye Fleet Management Software
