

Solar Series - MRI

RF Filter - 30A 2-Wire

MR Suite Applications

Product Description

The RF Filter has a very high self-resonant frequency with self-healing dielectric designed specifically for all Amico MR Suite applications. It's small compact design allows for full suite filtering with a single shield penetration, greatly freeing up space.

Mechanical				
	Minimum	Typical	Maximum	Units
Male Threaded Adapter	-	1" x 2" (25.4 x 50.5)	-	mm
Thread Torque	1.0	-	1.2	Nm
Product Weight	2.0	-	5.9	lbs
Construction	-	Welded Aluminum/ Stainless Steel	-	-
Thread	-	3/4 NPS	-	-

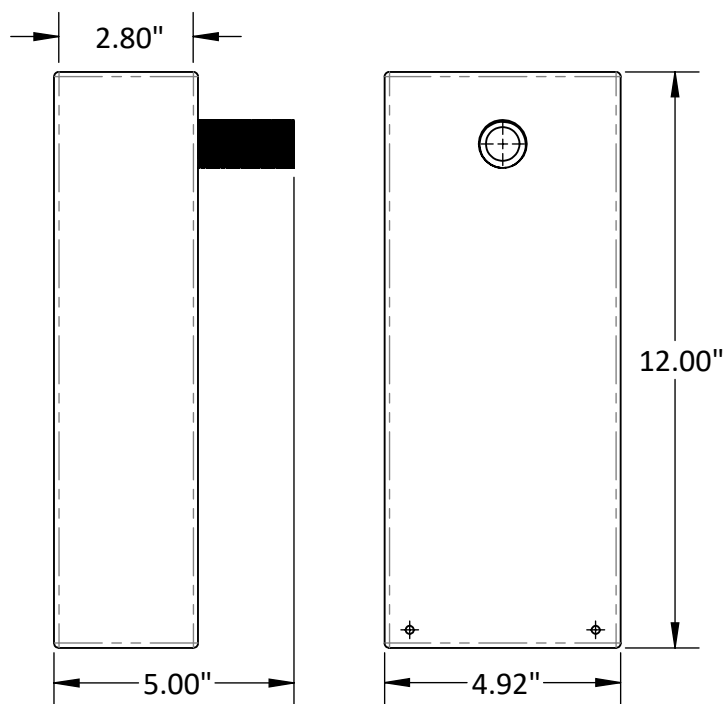

Electrical				
	Minimum	Typical	Maximum	Units
Leads	-	2	-	-
Rated Current	-	30A@50°C	-	A
Rated Voltage	-	250	-	Vdc
Leakage Current	-	2 x 188	-	mA
Frequency	-	0/60	-	Hz

Compliance				
	Minimum	Typical	Maximum	Units
Regulatory Safety	-	Listed	-	UL 1283
CE	-	Pending	-	-
RoHS	-	Pending	-	2011/65/EU

Environmental				
	Minimum	Typical	Maximum	Units
Operating Temperature	0	25	40	C
Humidity	20	-	80	%
Warranty	3	-	-	Years
